

Lockdown and emergency measures in Europe – current state of play

Austria	Main lockdown measures end on 1 May - Restrictive measures will still be in place. Last quarantine for parts of Tirol lifted 23 April. Restaurants reopened on 15 May. Hotels in Austria reopened on 29 May (with exceptions). Reopening of the borders for all countries except Italy since 4 June. No test, no quarantine necessary.
Azerbaijan	Partial lockdown measures in place until 31 May. Approximately 80% Hotels are closed for the moment. As of 15 May, restaurants are allowed to have sit in service, also in the big cities and regions including capital Baku. Borders remain closed until June 15.
Belgium	Gradual deconfinement as of 4 May. Restaurants reopened as from 8 June, bars and cafés to follow thereafter. Hotels were not required to close during lockdown. Possibility to travel from and to all EU and EEA countries as of 15 June.
Bulgaria	Restrictions in place until 14 June. Bulgaria's tourism ministry wants to kickstart the summer tourist season on 1 July but does not yet have a concrete plan for fully opening its restaurants, hotels and resorts. Restaurants with outdoor terraces and gardens are allowed to receive customers with social distancing measures. 5% of hotels are still open; occupancy rate is about 15%. Possibility to enter Bulgaria as an EU-Citizen without quarantine when entered after 22 May.
Croatia	Exit strategy to be rolled out with the key dates of 27 April, 4 and 11 May. Hospitality premises reopened as of 11 May under strict conditions (outdoor seating only). 97% of hotels closed. Since 28 May, the borders are open. Croatia can be entered for tourism by following an online web form "EnterCroatia".
Czech Republic	Deconfinement underway. Pubs and restaurants reopened on 25 May (outdoor service possible as of 11 May). 95% of hotels have reopened since 25 May. Borders with Austria, Germany and Hungary reopened on 5 June. Citizens from other countries may enter presumably after 15 June.
Denmark	Deconfinement since 15 April. All restaurants, cafes and bars reopened on 18 May. Nightclubs and discos expected to open on 8 August. Social distancing measures and customer limitations apply. Hotels have not been requested to close. Partial reopening of the borders to Germany, Iceland, and Norway is envisaged for June 15.
Estonia	Exit strategy began on 15 May. Hotels, cafés, restaurants and clubs stayed open during the crisis, with restrictions. Sit-in service authorized in restaurants, with strict hygiene and distancing measures, as of 11 May. Travel authorized since 1 June for citizens from countries with less than 15 infections per 100 000 people.
Finland	'Hybrid' exit strategy since 13 May. Restaurants and Bars opened on 1 June (with social distancing). Approx. 80% of hotels are closed. Reopening due in early June.
France	Exit strategies began on 11 May, with two-tier regional exit system (Orange/Green zones). Bars and restaurants in regions with lower contamination levels (Green Zones) reopened on 2 June. Others (Orange zone limited to Paris Region and two overseas territories) are likely to reopen by 15 June. Hotels in the Orange zone expected to open by 23 June. Borders due to reopen for EU and EEA citizens from 15 June.
Georgia	Gradual deconfinement underway. Restaurant/ and beverages facilities with open spaces reopened as of 8 June 2020. From 22 June/end of June, full reopening of all types of restaurant/food and beverage facilities possible. Hotels are closed, though approximately 20% are being used as quarantine spaces. Borders opened on 1 June.
Germany	Gradual reopening underway. Regional (Länder) decisions apply regarding the reopening of bars, cafes and restaurants; most reopened on 15 May. Hotels reopened since 25 May. Borders reopened to Austria and Czech Republic, with restrictions also to Belgium, France, Switzerland. All borders due to reopen from 15 June.
Greece	Gradual lifting of restrictions as of 29 April. Restaurants have reopened since 25 May (outdoor and semi-outdoor). Year-around hotels reopened on 1 June and seasonal hotels expected to open on 15 June. The country intends to reopen to tourists on June 15. All restrictions to be removed by 15 July.
Hungary	Restaurants reopened since 29 May (3 June for Budapest) Indefinite state of emergency. First phase of lifting measures on 3 May. Hotels have not been closed. Hungary can be entered. Quarantine still necessary, except for citizens from Austria, Slovakia, Czech Republic (5 June) and Germany (8 June).
Iceland	Lifting of restrictions from 4 May. Restaurants and bars opened but limited to social distancing and number of guests (50) as of May 4th. Entry possible from 15 June.
Ireland	Gradual reopening begins as of 18 May. Government introduced a phased, five-stage exit over three months. Restaurants and bars set to reopen on 29 June with physical distancing measures and strict cleaning protocols. Hotels reopen on 20 July (bars to stay closed until 10 August).

Italy	Main lockdown ended on 4 May. Restaurants and bars reopened on 18 May. Hotel are allowed to reopen accordingly to demand since 18 May. South Tyrol is the first region to open all hotels end of May. Borders reopened for EU and Schengen citizens (as well as UK, Andorra, Monaco, San Marino and the Vatican) on 3 June.
Latvia	Most restrictions lifted as of 7 May. Since May 28, entering Latvia is permitted for EU, EEA and Swiss citizens; since 3 June, 14-day quarantine suspended for most countries. Bars and restaurants have remained open with limited opening hours.
Liechtenstein	Hotels and Restaurants reopened on 15 May.
Lithuania	Gradual lifting of restrictions. Cafes, bars, nightclubs and restaurants reopened on 18 May. Extension of operating hours for Cafes and Restaurants on June 1. EU, UK and Swiss Citizens may enter Lithuania if the infections in the country did not exceed 25 per 100.000.
Luxembourg	Gradual lifting of restrictions as of 4 May. Bars and restaurants reopened on 25 May.
Malta	First round of non-essential shops reopening on 4 May. Restaurants, bars and hotels reopening on 22 May, with social distancing measures and recommended outdoor seating. Indoor-seating possible since 5 June with new regulations. Borders to be opened for international tourism on July 1.
Netherlands	Most lockdown measures extended until 20 May. Restaurants and cafes reopened on 1 June with strict distancing and customer limitations (30 people). Hotels have been allowed to remain open. Borders to reopen on 15 June, but quarantine for citizens of high-risk countries.
Norway	Restrictive measures are staring to be relaxed. Restaurants and bars have been allowed to remain open under certain conditions (no alcohol, social distances – measures less strict since 7 May). Border to Denmark will open on 15 June. Ministry of Foreign Affairs advises against all non-essential travel until 20 August.
Poland	Lifting of lockdown measures as of 4 May with hotels allowed allowed to re-open if they ensure that special safety measures are in place. Restaurants, cafes and bars reopened on 18 May. Borders are likely to be open to international tourists from 13 June.
Serbia	State of emergency lifted on 6 May. Bars and cafes reopened on 4 May with social distancing constraints. Entering without restrictions possible since 22 May.
Slovakia	State of emergency declared. Hotels, restaurants and bars reopened on 6 May under strict conditions (outdoor seating only). Charter flights to 8 countries available since May 28, to be extended on 28 June. Border to Czech Republic opened on 4 June.
Slovenia	Gradual reopening underway since 28 April. Restaurants and Hotels (up to 30 rooms) reopened on 18 May; the rest on 1 June.
Spain	State of emergency extended until 21 June. 3-phase plan introduced. Since June 8, only Phase 2 or 3 apply. Phase 2 (including big cities like Madrid, Barcelona, Valencia and surroundings): Restaurants and Hotels can open, but limited indoor capacity (30-50% depending on the autonomous community). Outdoor seating at 50% and max. 10 people per table. Phase 3 (including south of Spain and all Islands): Hotels may open without capacity restrictions. Outdoor seating limited to 75% and 20 people per table. Nightclubs allowed up to 50% of capacity. Entry expected to be possible after 21 June. Quarantine to be lifted for all tourists arriving after 1 July.
Sweden	No Lockdown in place; some social distancing measures and emergency measures possible until 30 June. Restaurants are allowed to be open for sit in service (also terraces), but with restrictions. The occupancy rate in the open hotels is about 7%. Borders expected to open on 15 June.
Switzerland	Lifting of restrictions on 27 April. Restaurants reopened on 11 May. Around 50% of hotels have remained open. Schengen Citizens likely allowed to enter after 6 July.
Turkey	Lockdown status in effect, gradual lifting of restrictions underway since 11 May. Restaurants opened on 1 June. Overall restrictions for Restaurants and Hotels to be lifted on 19 June. Since 1 June travel restrictions lifted for 15 European countries. International traveling to be allowed after June 10.
United Kingdom	Lockdown measures in effect. Restaurants, bars and pubs unlikely to reopen before 4 July, and strict conditions will apply thereafter. The only hotels allowed to open are those housing National Health Service Staff or the homeless. Reintroduction of quarantine for citizens of all countries entering the UK after 8 June.
Cyprus	Lockdown measures eased since 21 May. Open-air restaurants, cafes and bars reopened on May 21. Indoor establishments (restaurants and hotels) expected to reopen on 9 June. It is expected that travel will resume and hotels will reopen between 9 June and 13 July.
Portugal	Gradual reopening in May via 3 phase exit plan. Restaurants reopened under strict conditions on 18 May. Borders to Spain softened. Since 1 June, phase 3 applies.
Romania	Lockdown to end on 15 May, but restrictive measures will still be in place. Hospitality establishments reopened on 15 May.
